EMPLOYEE ENGAGEMENT

Books as Friends – A Volunteering Drive

Y4D Foundation, in collaboration with Hindustan Coca-Cola Beverages (HCCB), organised the monthly volunteering programme across 14 plant locations. Around 60 employee volunteers came together to collect books, set up mini library corners in schools, and host fun storytelling sessions for children.

This initiative, called “Books as Friends”, goes beyond simply donating books. It creates vibrant reading corners inside schools, gives children access to a variety of stories, and makes reading an enjoyable part of their daily routine. By combining book collections with interactive storytelling, it encourages curiosity, imagination and better language skills. So far, it is reaching more than 4,800 students, helping them discover the joy of reading and learning and planting the seeds for a lifelong love of books.

In order to make a positive social impact on the lives of our fellow citizens and jointly contribute to the UN SDGs, Y4D Foundation looks forward to establishing effective CSR partnerships in the thematic areas of Education, Skill Training, and Environment Sustainability & Health.
