

Y4D is a youth-led futuristic organization committed to empowering the economically underprivileged by empowering them through encouragement, education, and employment. Y4D strives to encourage individuals to reach their full potential, lead happy, healthy lives with dignity and make them capable of making meaningful contributions to society. Y4D is shaping up a sustainable society for future generations by instilling futuristic ideals into our practices.

EDUCATION

1. Flood Relief Initiative (School Renovation)

The "Flood Relief Initiative" project, led by Y4D Foundation, aimed to address the impact of floods in Bihar and provide relief to the affected communities. As part of this initiative, Y4d undertook the renovation of three schools in Bihar to create a safe and hygienic environment for the students.

Y4D collaborated with Mahindra Finance, which allowed for a more comprehensive approach to the renovation work by combining the expertise and resources of both organizations. The project demonstrated Y4D's commitment to improving education infrastructure and supporting communities affected by natural disasters like floods.

SKILL DEVELOPMENT / LIVELIHOOD

1. NSDC Certification

Y4D Foundation in collaboration with ONGC under the project "Skill to Employability", a notable initiative took place to provide training and employment opportunities to individuals in four different cities, namely Ahmedabad, Bokaro, Vizag, and Thanjavur. Y4D Foundation collaborated with the local team of ONGC to facilitate this endeavor. Its primary objective was to train individuals as Manual Insertion Operators, equipping them with the necessary skills and knowledge to excel in this field.

About 1000 individuals were selected based on their aptitude and willingness to learn to take part in this training program. To recognize the candidates' achievements and mark their successful training completion, they were honored with certificates from the National Skill Development Corporation (NSDC). In addition to the placement assessments, the Y4D Foundation provided a crucial post-placement support system to the candidates.

2. Mission Thousand

After the successful implementation of "Mission Hundred," a significant initiative undertaken by Y4D Foundation to **train 100 tribal women** in Maharashtra, the organization has embarked on a new phase of the project called "Mission Thousand." Under this ambitious initiative, the foundation **aims to train and empower 1000 Maharashtrian women**, significantly increasing the number of beneficiaries and providing them with the opportunity to earn a living.

This program will cover a wide range of skills, including vocational training, entrepreneurship, financial literacy, and soft skills development, empowering women with a holistic skill set.

ENVIRONMENT

1. Miyawaki Afforestation

In the region of Dighi Hills, a significant tree planting campaign took place in collaboration between the Y4D Foundation and Bristlecone India Limited, a subsidiary of the Mahindra Group. This joint effort aimed to contribute to environmental conservation and create a greener ecosystem. The campaign comprised three stages, and the third stage specifically focused on tree planting in Dighi Hills.

While the first two stages of the tree planting campaign employed traditional tree planting techniques, the third phase introduced the Miyawaki Method. This method involves planting a diverse

range of native tree species in a closely spaced manner, creating a dense and self-sustaining forest ecosystem in a relatively short span of time. By utilizing this method, we were able to enhance the ecological resilience of the area, provide habitat for wildlife, improve air quality, and mitigate the impact of climate change.

2. Tree Plantation Drive

GeBBS Healthcare Solutions, a prominent healthcare technology and services company, joined forces with the Y4D Foundation to support an important tree planting initiative in Thane. A total of 1000 saplings were planted to promote environmental sustainability and contribute to the preservation of natural resources in the region.

HEALTH

1. Health Care Awareness Program

Y4D Foundation and Curia joined hands to address the challenges of disease control and chronic health problems in rural areas. The program aimed to provide access to health facilities and raise awareness about health-related issues in Chhatrapati Sambhaji Nagar's Asegaon, a rural region with limited healthcare resources.

There was a total of 15 camps held in the district's rural areas, including general health, dental, and eye check-up clinics for the general population as well as a WASH Awareness Drive for schoolchildren. This effort is expected to have helped more than 6000 people.

AWARDS & RECOGNITIONS

1. World CSR Day Appreciation

In acknowledgment of Y4D Foundation's excellent work, rural reach, and capacity to contribute to social change, the foundation was honored with a certificate of merit. The certificate was presented on World CSR Day symbolizing the recognition and appreciation of Y4D's outstanding efforts in the field of corporate social responsibility.

This serves as a source of motivation and encouragement for the foundation to continue its impactful efforts in empowering individuals and fostering inclusive development in underserved regions of India.

In order to make a positive social impact on the lives of our fellow citizens and jointly contribute to the UN SDGs, Y4D Foundation looks forward to establishing effective CSR partnerships in the thematic areas of Education, Skill Training, Environment Sustainability & Health.
